 Respondents. )

Civil Action No. 04-362E  
District Judge McLaughlin  
Magistrate Judge Baxter

**MOTION FOR ENLARGEMENT OF TIME**  
**TO FILE OBJECTIONS TO MAGISTRATE**  
**JUDGE'S REPORT AND RECOMMENDATION**

COMES NOW, Petitioner, James Keitt, pro-se, and moves this Honorable Court, pursuant to Rule 6(b) of the Federal Rules of Civil Procedure, for enlargement of time to file his objections to the magistrate judge's report and recommendation. In support, the following is respectfully submitted:

1. On May 19, 2006, Petitioner received his copy of the Magistrate's Report and Recommendation ("R&R"), which is post-marked, May 17, 2006.

2. The R&R indicates that "the parties are allowed ten (10) days from the date of service to file objections to" the R&R. See Docket Number ("DN") 13 @ p. 5. Therefore, Petitioner's objections are due for filing by May 30, 2006.

3. Petitioner has sought the assistance of a prisoner to assist him in filing his objections; however, the assisting prisoner is presently assisting another prisoner who must file an argument in the Third Circuit Court of Appeals, pursuant to Internal Operating Procedure 10.6, as to why the appeals court should grant summary action reversing the judgment on appeal. This pleading is also due by May 30, 2006 and the assisting prison is currently perfecting that pleading.

4. The assisting prisoner will complete the other pleading due for filing in the Third Circuit within the next five days and can begin assisting the Petitioner at that time.

5. Without the assistance of this prisoner, Petitioner is unable to formulate his objections. Moreover, the assisting prisoner is the one who filed his reply to the Respondent's responsive pleadings, hence is acquainted with the issues involved.

C O N C L U S I O N

WHEREFORE, for the reasons above, Petitioner respectfully request this Honorable Court grant him an enlargement of time to file his objections to the R&R, up to and including June 5, 2006.

Date: 5/21/06
